

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

RATE ADJUSTMENT OF WESTERN
KENTUCKY GAS COMPANY

) CASE NO.
) 90-013

O R D E R

This matter arises upon the November 19, 1990 filing by the Attorney General of the Commonwealth of Kentucky, by and through his Utility and Rate Intervention Division ("Attorney General"), of a motion to amend the procedural schedule entered in this case by November 6, 1990 Order of the Commission. The amendment requested by the Attorney General would require the filing of data requests before the prefiled direct testimony of the parties' witnesses. In support of the motion, the Attorney General states that if direct testimony is required to be filed first, extensive revisions to that testimony are "likely" after data request responses are analyzed.

The Commission, having considered this motion and being otherwise sufficiently advised, finds the motion should be and is HEREBY DENIED.

Done at Frankfort, Kentucky, this 21st day of November, 1990.
